

Who can comprehend the Lord's ways or conceive what the Lord intends (1)? True wisdom leads us to acknowledge our limitations (a matter of "calculation") and our idols of materialism as we seek to follow the Lord without reservation (3). True discipleship calls us to forgive those who have wronged us (2). May we gain the wisdom of heart (Ps) to discern more fully our call to take up the cross of Jesus.

Offertory Collection for the weekend of September 1/2 was \$4374.
Thank you for your generosity.

The collection from our Parish to St. James Society was \$4202. They are most grateful to our parishioners.
